

Quests for The Innocent Archetype:

Quest: Labour of the Patient Pursuit

Track one small habit for 7 days straight without missing a day.

Quest: Labour of the Gentle Hand

Do a task the "soft" way instead of the fast/forceful way (calm conversation instead of snapping, no rushing a chore).

Quest: Labour of Catching Without Harm

Resolve a minor conflict without needing to "win" the argument.

Quest: Labour of the Long Chase

Spend 20–30 minutes on a goal that needs sustained effort, not a quick fix.

Quest: Labour of Sacred Boundaries

Respect something that belongs to someone else today (their time, space, decision) — ask before borrowing, don't interrupt.

Quest: Labour of the Honest Explanation

Own up to a recent mistake plainly instead of hiding it.

Quest: Labour of the Golden Horns

Notice and name one thing about yourself or your day worth protecting/valuing, instead of dismissing it.

Quest: Labour of the Year-Long Hunt

Break a big goal into one small step you can do today, without expecting to finish it.

Quest: Labour of the River's Edge

Wait for the right moment instead of forcing an outcome — pause before reacting to something that annoyed you today.

Quest: Labour of Carrying Gently

Help someone with a task without taking over or doing it your way — support without control.

Quest: Labour of Appeasing the Goddess

Apologize or explain yourself to someone you may have upset, even briefly.

Quest: Labour of the Untouched Sanctuary

Leave something alone today that you'd normally control, fix, or micromanage.
