

User Stories	Priority
As a User, I want the system to automatically generate weekly tasks, personalised to my own archetype.	Must-have
As a User, I want to view my current daily streak on my profile so that I can monitor my consistency and stay motivated.	Must-have
As a User, I want my streak to reset if I miss my daily task so that I keep myself.	Should-have
As a User, I want the interface to provide intuitive navigation between the dashboard, questline, tasks, and profile.	Must-have
As a User, I want an onboarding walkthrough that explains how archetypes, quests, and daily reflections connect to the 12 Labours of Heracles theme so that I understand the core progression loop	Should-have
As a User, I want to see my current archetype, and what quests I have that are associated to each archetype	Must-have
As a User, I want the system to assign my daily quest from a shared pool with other users with my archetype so that we share a “journey”	Could-have
As a User, I want to inspect my friend’s profile to compare our archetypes, badges, and radar charts so that we can celebrate shared milestones	Could-have
As a User, I want the AI layer to adapt future challenge recommendations and reflection prompts based on my ongoing progress and personal goals	Should-have
