

Sign up:

- The activity is straightforward and easy to do

Do the quiz:

- The quiz is short and easy to do with 7 questions
- The archetype results appear immediately after the quiz has been finished

View Archetype:

- Interesting image for the main archetype. However, there are no other images for others
- Description should be in dot points for a better views

View Quests:

- The description of the quest is somewhat clear
- Not sure about the storyline but sounds interesting
- The reaction should include more options
- The reflection page looks good with the AI feedback. However, user not sure what stories to put on
- Not sure what to write for the journal

Complete a weekly task:

- The weekly task is somewhat clear and easy to do

Change quests:

- Somewhat annoying when having to change the quest in the home page instead of the quest page

View achievements:

- The achievement page is quite interesting with the badges

Log out:

- The activity is quite clear and concise

Sign in:

- The sign in process works well without errors
